

# Battery cutter series

- High strength
- Cutting fast
- Easy to operate
- Automatic pressure release

*Simple design perfect experience*

## Battery powered ratchet cable cutter

Suitable for narrow working space  
Light weight, easy operation

### RC-54

1. The tool is small and suitable for cutting in narrow working space
2. Flip top style, easy to pick & place cable
3. High-capacity 14.4V Li-ion battery with quick charger
4. It has built-in overload protection device to prevent overload operation
5. The exact cutting capacity depends on the type of cable or rope

### RC-54AC

1. The tool is small and suitable for cutting in narrow working space
2. Flip top style, easy to pick & place cable
3. High-capacity 14.4V Li-ion battery with quick charger
4. It has built-in overload protection device to prevent overload operation
5. The exact cutting capacity depends on the type of cable or rope

## Battery powered mini cutting tool

### ECT-30MC

1. Flip top style, easy to pick & cable pipe, cutting head rotates 360°
2. Two stage hydraulic, automatic pressure-relief built-in microchip controller, easy to read and record information
3. High-capacity 14.4V Li-ion battery with quick charger

45kN  
700bar
